

DRIZZ Tokenomics & Utility

Overview

Total Supply: 340,000,000 DRIZZ

Blockchain: Solana (SPL Standard)

Purpose

DRIZZ is a meme-powered movement against oligarchy, tyranny, and centralized power. Beyond humor and satire, it offers utility through token-gated access, GameFi, and exclusive perks.

Token Allocation

Staking + Token-Gated Utility	3uicGF3V85MXtTXPka7SvjGfPzitm8jv2USdWZtPtZpk

These wallets are managed via multisig and used in accordance with the token allocation plan. All wallets can be publicly viewed on Solana Explorer for transparency.

DRIZZ Access Tiers

Tier 1: GameFi Access — 10 DRIZZ

- Play-to-earn features
- Early gameplay testing
- XP rewards & leaderboards

Tier 2: Vault Access — 250 DRIZZ

- Access token-gated comics
- Unlock exclusive WWDD merch
- Participate in future airdrops & VIP perks

Holding DRIZZ = Proof of participation in the resistance movement.

Utility & Use Case

DRIZZ merges comedic satire with real blockchain utility. Weekly public comic strips are free for all, while continued storylines and deeper content are unlocked for DRIZZ holders via wallet-based authentication.

Security & Transparency

- Smart contract-based vesting for founder funds
- Liquidity will be locked post-launch
- Community and airdrop allocation will be gradually released

Social Mission

WWDD stands for integrity, humor, and resistance through decentralized culture. DRIZZ enables users to stand up with a coin that stands for something.
